Crystal-Clear & Tastier Water

3 Function Selector Valve

Available in Blue or Red!

Convenient and economical way of healthy tap water in your home!

JOVEN®

Water Purifier JP100

Water Purifier

◀ **Ergonomic Design Using High Quality Plastic**
Present better product appearance and durability.

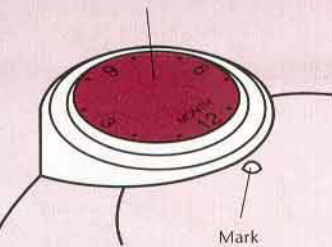

JOVEN Water Purifier is the result of tedious research and development combining ergonomic design with high quality non-woven fabric filter and powdered activated carbon. Together with the cartridge memory button and the easy to install 3 function selector valve, it is a convenient and economical way of healthy tap water in your home.

▶ **3 Function Selector Valve**

Unique clear window indications of 'Filtered', 'Unfiltered' and 'Shower' together with the universal Tap Bush are designed for user convenience and easy installation.

JOVEN high efficiency water purifier removes the chlorine, odour, sediment, turbidity and rust from the tap water and giving you crystal clear and tastier purified water with its natural minerals.

Memory Button

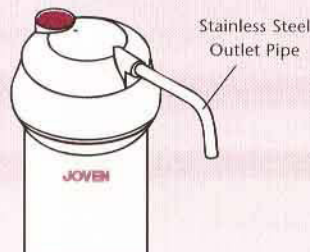

◀ **Memory Button**

Memory Button is another special feature to indicate the month you changed the Purifier Cartridge. It is very easy to operate. Use your thumb to press the button down and rotate it to align the number with the mark.
e.g. Set to '12' if the Purifier Cartridge is changed in December.

▶ **Stainless Steel Outlet Pipe**

Provides better durability and clean rust free water.

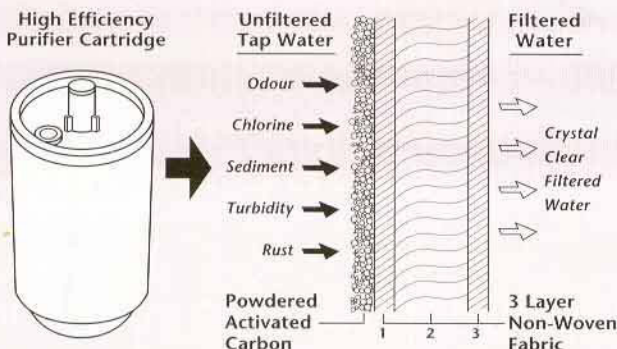

▼ **High Efficiency Purifier Cartridge**

Designed with high quality non-woven fabric filter and powdered activated carbon, gives you crystal clear and tastier water.
